Sir:

In response to the Office Action mailed August 15, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Add new claims 91- 99, as follows.

91. (New) The method of claim 1, wherein the compilation of content is created automatically in response to the user selecting said one or more of said objects.

92. (New) The method of claim 1, wherein the compilation of content is created by recording in a computer-readable structure defining the compilation, for each selected object, a reference to the content entity associated with the selected object.
